Dear Parents and Guardians,

Welcome to the excitement of planning another school year! Our school, a vibrant and viable ministry of St. Michael and St. Basil Catholic Church, is an outstanding Catholic academic institution. However, while our academic excellence drives much of what we do, we are first and foremost a Catholic school with a priority in our faith and commitment to our Gospel values.

Much of this is thanks to a faculty and staff who are dedicated, talented, faith-filled and highly professional. We are blessed that our teaching staff is so committed to the development of the whole child. At St Michael, together with teachers and staff, each year your child grows and develops from the young boy or girl who walked through those main doors, into a confident young man or woman of faith. They are becoming exemplary scholars, prepared to face the multifaceted challenges of high school and the world. In each class, they are learning how to think critically, solve problems, be creative, and collaborate with each other.

That said, our parents are the first teachers whose influence is ever present, and we encourage your continued participation in our community. You are the greatest ambassadors of our school community and have a great influence on those with whom you speak with about St. Michael School. During the past two years, we have renovated the first floor classrooms, cleaned and painted the gym, put new flooring in the entranceway and have upgraded the technology infrastructure for digital and online learning. Thanks to We Give Catholic, the plans for our Innovation Hub are well under way, We trust that you will share this good news about the continuous improvements at our school with your relatives, friends and neighbors. An increasing enrollment is important in maintaining lower-than-average annual tuition increases.

With the many financial pressures on all our families, choosing to make the investment in a St. Michael education is a sacrifice. It is an important choice to ensure our children are provided an exemplary Catholic education that helps them become courageous and confident students, ready to change the world. Each one of our teachers and staff carry the importance of that responsibility. While much of the formal instruction is on academic growth, our faculty creates a loving environment for moral and ethical development as well. We are partners with you in the formation of your children. These exceptional students are our hope for the future!

As you can imagine, because of the challenges associated with covid, the operating costs of everything increased rapidly – and our school was no exception. During these past two years, operating costs increased through additional staffing for smaller class sizes, cleaning and sanitation requirements, professional development, personal protective equipment, and investments in technology upgrades and infrastructure. To keep pushing the boundaries of excellence in education while providing a safe Catholic education, we need a strong, balanced budget which relies heavily on tuition income. Our goal is – and always has been – to provide the highest quality of education for your child.

That said, as partners in this journey and because of the realities noted above, a tuition increase is necessary to ensure that we have adequate resources to keep pace with the forecasted increase in operational costs due to inflation. This includes salary and benefit increases for all staff, as well as rising utilities and making capital and educational investments necessary to maintain our facilities to provide the best possible education for our students. While we recognize any increase in tuition will impact our school families, such increases are necessary to maintain the quality of our academic programs, our teachers, and to ensure our long-term viability.

When determining tuition, we try to keep a balance between affordability for our families and the strategic needs of the school. We encourage our families to keep in mind; the actual cost to educate a student is greater than paid tuition and to bridge that financial gap we rely on the generosity of St. Michael and St. Basil parishes as well as other advancement efforts each year. As always, we will continue to prioritize all the necessary investments in our school to ensure we are utilizing all available resources as efficiently and effectively as possible.

We are strategically focused on fiscal stewardship and creating a strong foundation for our school's future, and St. Michael and St. Basil parishes remain committed to providing strong support of our operating budget, as well as tuition assistance for students who qualify or are in need. If tuition presents a challenge to your family, please reach out to the pastors for more information on how they can help.

In order to plan for staffing, materials, and supplies, it is important this re enrollment agreement be returned to St. Michael by February 8, 2022.

We are grateful to all of you who support our mission through your gifts of time, talent and treasure that go beyond the cost of education itself. The choice you have made to invest in preparing your child(ren) at St. Michael School for achievement in the classroom, success outside of the classroom, and growth in their faith, is one that we honor in the work we do each day. Our dedication to your child is not only our mission – it is our ministry – and we are grateful to be a part of it.

God Bless you,

MOST IMPORTANTLY, we agree to our obligation to raise our children Catholic because as parents, we are the primary educators of our children in the Faith. This includes the following:

1. We understand that part of being Catholic means attending, supporting and participating in our registered parish. Our child/children will learn from our example of active membership by weekly Mass attendance.
2. We understand that attending a Catholic school indicates that a faith-filled education is important to us. As such, we should be living, speaking and behaving in a way that is reflective of the tenants of Christianity, and is respectful of all other faiths.
3. We understand that a Catholic atmosphere in the school is vital. We expect to be treated with kindness and professionalism. Likewise, we agree to follow school procedures. Finally, we agree to speak and behave in a way befitting a Catholic spirit.
