

GUIDELINES and EXPECTATIONS While Attending PTU Events and Activities

Before attending each PTU Sponsored event please take a moment to review with your children some basic guidelines and expectations while on school property after hours, and at all other venues where PTU events are held.

- All children must be accompanied by a parent or guardian until the event concludes.
- For safety reasons, the playground equipment is off-limits after dark; please enjoy the many activities that have been planned as part of the event instead!
- Loitering in the bathroom is not permitted; please help us keep our school restroom facilities safe and tidy.
- Do not venture into school/venue areas that are not part of the event (ie: if the event is not taking place in the gym, please do not start playing in the gym.)
- Playing with or otherwise dismantling event decor is not permitted.
- Please make sure all litter ends up in provided garbage cans.

With the help of our parents and students the PTU will continue to be able to hold fun and safe events on school/parish and community properties.

Thank you for your support of the PTU!
